lated to the State Licensing Authorities so that they do not allow manufacure and sale of these drugs under the licences granted by them. Inspectorate staff of the State Drugs Administration conduct checks to detect manufacture and sale of banned drugs. However, some companies both national and multinationals and obtained stay against certain categories of formulations out of the banned list. Government have taken necessary steps to have the stay vacated.

According to the Code of medical ethics laid down by the Medical Council of India, under Section 33 of the Indian Medical Council Act, 1956, a physician should observe the provisions of the Drugs and Cosmetics Act as well as other Acts and Regulation of the State Governments| local bodies for protection and treatment of public health.

Supply of vehicles to PHCs

607. DR. NARREDDY THULASI REDDY: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state the number of public Health Centres which have been provided vehicle under National Family Welfare Programme in Andhra Pradesh and the number of vehicle which are likely to be provided during the ytar 1992-93 to such Public Health Centres?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SMT. D. K. THARADEVI SIDDHARTHA): (a) All the Rural Family Welfare Centres created upto 1-4-1980, which are 420 in number in the State of Andhra Pradesh, have been provided vehicles. Requirement of Staple food

610. SHRI RAMACHANDRAN PILLAI: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) what quantity of staple food (in grams) is required daily to maintain the required calories for a person in India (working men, women and non-working person) and in developed countries and approximate availability of the same in India; and

(b) how the gap is being filled up?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SMT. D. K. THARA DEVI SIDDHARTHA): (a) As per Indian Council of Medical Research (ICMR) Recomended Dietary Allowances (RDA), the daily requirement for calories for Indians are as follows:—

(In Kilo-calories)

	Men	Women
Sedentary Work . .	2425	1875
Moderate Work . .	2875	2225
Heavy Work . .	3800	2925

The energy requirements of a person would be met from the cereals, vegetable, animal proteins, fate, root and tuber etc. components of a balanced diet. On an average 460 grams/day of staple feed is recommended for a person. Amongst the developed countries for example USA has re-
